### **Impact Design**

W5216 High View Rd, Tomahawk WI 54487

**07/01-Present**

Advertising, Marketing, Product Design, Graphics, Illustration:

This is a full service advertising, marketing and design company. I have worked for many satisfied clients over the years. I have also worked in and around the toy industry and have done freelance writing for a number of publications. My specialty has been high quality collectables and character driven products and themes. I also have served as a consultant to companies such as Playing Mantis and Horizon Hobbies.
